What else do I need to know?
The sessions provide a fun, interesting and relaxed learning environment, where you will be encouraged to participate. During the sessions, many of the activities require you to work in pairs and small groups.
The course will be loosely based on a textbook, details of which will be given out at the start of the course. You are asked to bring pens and paper to each session. A ring binder would also be useful so that you can build up a portfolio of work covered and use it for reference.

What could I do next?
You may wish to try a different language such as German or Spanish.
