### What will I learn on this course?

You will learn knowledge, behaviours and skills through blended learning, consisting of group training sessions, digital learning and tutorials carried out in the workplace.

- With coaching and support from your employer and your tutor, you will apply the knowledge, behaviours and skills to your organisation's standards and to your specific role to meet the requirements of the apprenticeship.
- You will require an allocation of 20% off the job training time to enable you to complete coursework and assignments.
- At the 15-month stage of your 18-month programme you will be prepared for the apprenticeship Gateway and End Point Assessment. This will involve a 2-week intensive period of study, revision and tutorials with your assigned tutor.
- To complete your apprenticeship, you will learn how to interact with parents, children, colleagues and wider multi agency professionals and partners. You will be able to support child initiated and adult led activities based around the needs and interests of each individual child, support children's learning through planned, purposeful play opportunities and educational programmes and work as part of a team to ensure each child feels safe and secure. You will also support the observation and assessment of each child and contribute to their learning experiences and assist with the care needs of
